Dear Friends:

It is my pleasure to welcome all attending the inaugural South Florida Bond Traders Association meeting.

The SFBTA is committed to providing educational opportunities for its members, as well as encouraging members to develop and deepen working relationships while supporting the South Florida community through local charities and scholarships. The state of Florida is proud to recognize the contributions of the SFBTA's investment and trading professionals to our state's communities. Thank you for your continued hard work and dedication.

Best wishes for a memorable event.

Sincerely,
