Habitat for Humanity of South Palm Beach County (SPBC) is a nonprofit, 501(c)(3) organization that works to provide affordable homeownership opportunities for hardworking and deserving families in the cities of Boynton Beach, Delray Beach, and Boca Raton, Florida. We build homes in partnership with families who demonstrate a need for housing and a willingness to work with us to purchase a home of their own. With the help of our generous supporters and volunteers, since our establishment in 1991 we have enabled almost 100 families in our community to achieve their dream of owning a safe, decent and affordable home.

Habitat SPBC depends on volunteer labor and tax-deductible donations of money, materials, services and property to fulfill our mission. Habitat homeowners qualify for an interest-free mortgage, make a modest down payment, and put in 500 hours of "sweat equity" on their home and the homes of other Habitat families. Our families also attend monthly workshops on financial management, home maintenance, and similar subjects to prepare them for the responsibilities of home ownership. The mortgages paid by Habitat homeowners in turn help to fund the construction of additional homes in our community.

The positive impact of Habitat homeownership is extensive. Stable homeownership increases Palm Beach County's tax base, helps stabilize our school system, and helps revitalize our communities. With safe, decent, and affordable housing, families have security and stability, and are better able to concentrate on parenting, education, and community involvement.

No experience is necessary! We have trained crew leaders on site to guide you through the day's tasks. Habitat provides all the tools, equipment and guidance needed during your visit. We appreciate your initiative to join us in making a lasting impact in our community!
