

Bond Traders Help Feed Local Families in Need

PEMBROKE PARK, FL, November 4, 2014 – On Saturday, members of the South Florida Bond Traders Association (SFBTA), a local non-profit organization of financial professionals, participated in their annual tradition of a hands-on charity work day. SFBTA is committed to providing its members with educational opportunities, sponsoring social and networking events, and supporting the community through the funding of local charities and scholarships.

This year, working in the warehouse of Feeding South Florida, the leading domestic hunger relief organization in South Florida, Association members inspected, sorted and prepped 10,824 pounds of food. All told, their work will help provide 9,020 meals, a result that amazed the SFBTA group and its President, George Barbar.

“We had a great day partnering with Feeding South Florida,” said Mr. Barbar. “I was astonished at the impact we could have in such a short time. I’m extremely proud of our team, and would definitely participate in another opportunity to serve there. What a fulfilling way to give back to our community.”
